Mr. Nicoletti:

On advice of counsel, I am not taking any further action on your behalf until the Motion to Withdraw is heard by the Court. Please do not contact me while this motion is pending.

I would assume that any adjournment of the trial will be dependent upon when I get the documents from Computer Forensics and Fifth Third. For that reason it is imperative that I have a copy of what was served on June 19th as well as the proofs of service. I would request these items before Thursday. Thanks.

When is the hearing date for your motion in light of the pretrial on the 28th?

Will the pretrial on the 28th be adjourned?

Paul, I filed the Motion to Withdraw today (copy attached).

Best regards and good luck. Mike

PS absent your instruction otherwise, I am filing subpoenas to be produced in two weeks.
